# CHILDCARE SERVICES

*Noah's Ark Classroom*

Holy Cross Lutheran Church has provided daycare services since 1986. We are a state licensed facility.

We have 7 classrooms, each grouped by age so that your child receives specialized care for their needs. We are open from 6:30am—6:00pm.

Each classroom is staffed by trained childcare givers who are certified in First-Aid and CPR. Teachers plan age-appropriate activities and learning experiences for the children.

We also have outdoor play areas that are developmentally appropriate and we take them outside as often as weather permits.

Please schedule a tour to see it for yourself.
